

# World Upside Down

You can be so creative to have photos!

The trend of taking photos from special angles is now popular in Taiwan. Recently there was a group who was passionate about this in Kaohsiung. Their motivation is simply having fun! They have devoted themselves for taking creative photos over one year. They expect to have more unique pictures to inspire people to be more imaginative. Do you want to get rid of the traditional poses? Use your imagination to make your photos look different.

# Too Gay to be Gay!

The third Kaohsiung Gay Parade took place at Central Park, Kaohsiung on September 22, 2012. More than 5000 people attended to support homosexuals, and spoke up for their rights. According to the spokesman of the parade, he said “Everyone has the equal right to love each other; we cannot use any bias on homosexuals. We are looking forward to having more people to have our backs.” - Celia & Belle
